This is the standard font and layout for the individual paragraphs. Replace this text with your text. Single-space your text in single-column format justified at both sides. Use 12-point Times New Roman typeface with single spacing.

Place one space between paragraphs.

Format the document with 1-inch margins at the top, bottom, left, and right. The abstract must fit on one page. Up to one figure or table is allowed. Boldfaced font style is used only for the paper title. Use one line of space between the title, author(s), affiliation(s), and the abstract text.
